Lunch Money

Please be advised that online lunch payments made to junior school on Monday, 13th or Tuesday, 14th May will possibly not be updated immediately, due to maintenance work on the junior school server.

As from Tuesday, 23rd April there was an increase in school meals from £2.20 to £2.40 per day, please ensure your payment is adjusted accordingly.

Survey Monkey

Currently, the children in Year 5 are working in small teams to plan a charity event to raise money for a local charity. With the support of Newcastle Building Society, the winning plan from the 8 schools entering the challenge will be given a budget to host their event. In order to help us plan the best event, we would really appreciate it if you could take 5 minutes of your time to complete our market research questionnaire. The link to this questionnaire can be found below, and we encourage parents, grandparents, siblings and anyone else in your family to give us your views! The survey will close on Tuesday, 21st May 2019 to allow the children time to analyse the results.'
